Developer update

Hi Developers at Diskominfo Kab. Labuhanbatu Utara,

After a recent review, we found that your app Laker Labura (com.laker) is not compliant with one or more of our Developer Program Policies. See below for more information about your app's status and how to correct the issue.

	<p>Issue with your app</p> <p>Your app contains content that doesn't comply with the Webviews and Affiliate Spam policy.</p> <p>Issue details</p> <p>We found an issue in the following area(s):</p> <ul style="list-style-type: none">In-app experience: Please see attached screenshot com.laker-InAppExperience-171.png
	<p>About the Webviews and Affiliate Spam policy</p> <p>We don't allow apps whose primary purpose is to drive affiliate traffic to a website or provide a webview of a website without permission from the website owner or administrator.</p>
	<p>App status: Suspended</p> <p>Your app has been suspended and removed due to this policy issue.</p>

Action required: Publish a new compliant version of your app

Here's what to do to help get your app on Google Play:

1. Read through the [Webviews and Affiliate Spam](#) policy for more details.

2. If it's possible to bring your app into compliance, make appropriate changes to your app. In addition to addressing the issue identified above, you may also want to check your app's store listing for compliance, if applicable.
3. Double check that your app is compliant with all other [Developer Program Policies](#).
4. Sign in to your [Play Console](#) and submit the updated, policy compliant app using a new package name and a new app name.

Please note that additional suspensions of any nature may result in the [termination](#) of your Google Play Developer account and related Google Play Developer accounts, as explained in our [Enforcement Process](#). Learn more about policy review outcomes in our [Help Center](#).

Contact support

If you've reviewed the policy and feel our decision may have been in error, please reach out to our [policy support team](#). We'll get back to you within 2 business days.

Thanks for your continued support in helping to make Google Play a positive experience for both developers and consumers. We look forward to seeing an updated version of your app on Google Play.

Please complete a [two question survey](#) to help us improve this experience.
